

Recycling Metal, Glass & Plastic Containers: Program and Policy Options

Resa A. Dimino

Recycling and Materials Management Policy & Planning
Consultant

Caribbean Recycling Summit
December 1 & 2, 2016

Recipe for Success

Key Ingredient: Policy Menu of Options

Mandatory recycling

Hauler licensing/permitting

Pay-as-you-throw/volume based pricing

Disposal bans

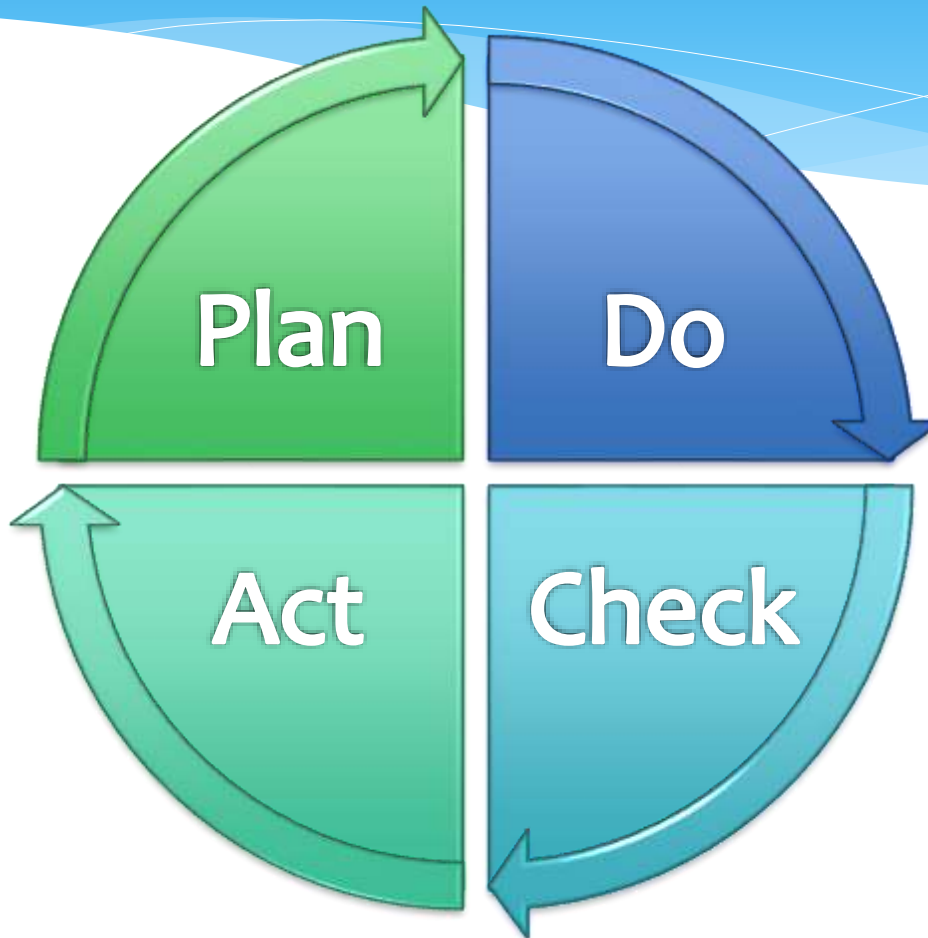

Beverage container deposits

Extended Producer Responsibility (EPR)

Key Ingredient: Planning

Gather key data and information; engage key stakeholders and partners

Pilot test ideas

Implement what works

Evaluate pilots

Planning: Collection Options

Curbside

Redemption/Buy Back

Drop Off

Key Ingredient: Partnerships

Key Ingredient: Infrastructure

Recycling collection & processing

End-use markets

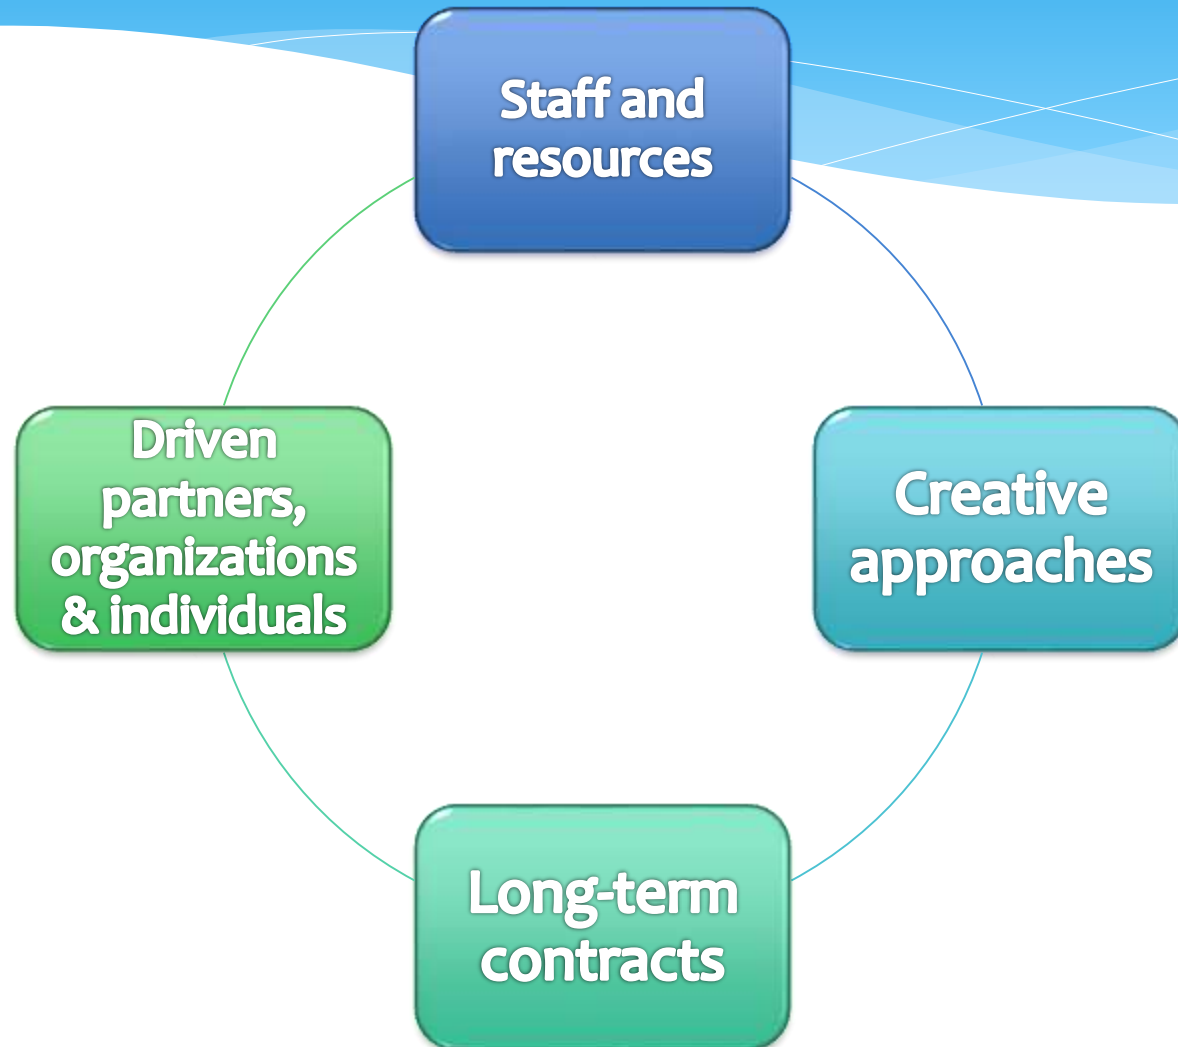

Reuse & refurbishing

Organics recycling & composting

Key Ingredient: Commitment

Most Important Ingredient: People Who Care

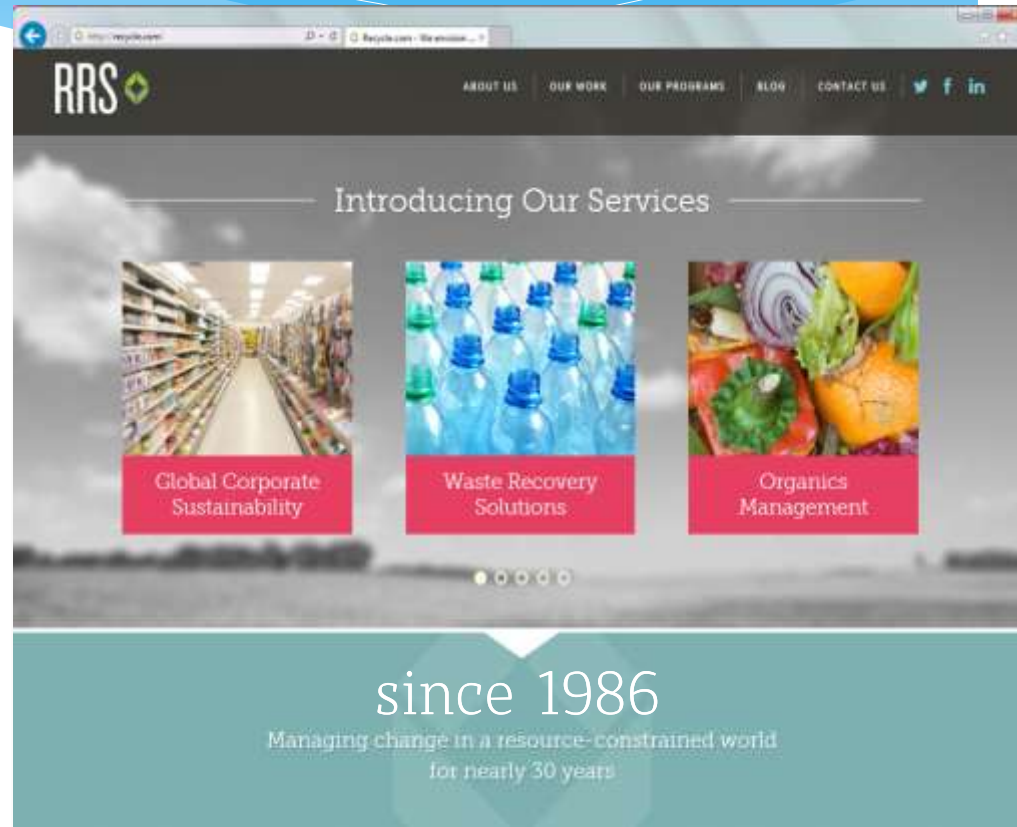

Thank You!
